SUBJECT: Oversess Assignees

- 3. It is understood that the Medical Staff vill--not necessarily at the time of the Panel meeting—have completed its final medical assessment of the individual proposed for overseas service, and that such assessment and reporting of assessment results will proceed through channels established and used at present. Similarly, the Office of Security will handle matters of security through channels established and used at present, reserving for the Panel only those factors bearing upon overall suitability.
- 4. If the above procedures are agreeable, may I request that you endorse one copy of this memorandum and naturn it to me. Upon receipt of all copies, I will institute the procedure; or, if there is an objection to going shead in this way, I will arrange a meeting to discuss other ways of solving this problem.
